

# For the perfect harmony of your own Toilette:

## -these Spécialités, breathing the romance and charm of France

Did you visit to-day, Madame, Mademoiselle, those famous resorts of the French Riviera, Nice, Monte Carlo, Cannes, Mentone, you would mingle there with the most beautiful of the smart Parisiennes? There doubtless, where beauty and charm are held so high, would you learn of a new vogue in *les affaires de toilette*—a new mode whose motif is so subtle a concord in toiletry.

If you, Madame, would achieve this harmony so perfect it is *naturellement* quite necessary that each article of your toilet table breathe gently the same fragrance—the same French fragrance.

And how simple to attain—this *harmonie de toilette*—when La Belle France sends to you all these charming *spécialités*, each scented delightfully with that masterpiece of the French perfumer's art—*parfum Djer-Kiss* itself.

### PARFUM DJER-KISS:

Some one has said, "One drop of Djer-Kiss makes the whole world Parisian." This patrician extract, Madame, will lend indeed to your own *toilette* a whisper of French romance.

### TOILET WATER:

Not *en réalité* is it stolen from French Fairy fountains. But so its *charme mystérieux* will make it seem. To perfume the water of the bath—what a charming French custom!

### VEGETALE:

So soothing and refreshing as a lotion for the skin. Its charm is the charm of La Belle France.

### TALC DJER-KISS:

To your *charme Américain* it joins a *charme Parisien*. After the bath always—so delicate a refinement!

### DJER-KISS SOAP:

*Le savon français*—an appreciated attention for the guest room. For yourself—a delightful indulgence.

### SACHET DJER-KISS:

To perfume gently but exquisitely your dainty lingerie, your frocks, your linen. This custom of French "matrons" so deserves adoption in America.

### FACE POWDER ADHÉRENTE:

A new Djer-Kiss Face Powder—it clings without being heavy. For *les occasions spéciales* will Madame desire it; for the golf, the dance, the automobiling. Remember—it clings.

### FACE POWDER:

Made and packed in France only, it has received in America the endorsement of fashion. Do use it. For so many years has it been the choice of those ladies who set the day's mode. Also packed in dainty compact form.

### DJER-KISS ROUGE:

Remember, Madame, "your natural charm is your greatest charm." Use Djer-Kiss Rouge wisely to preserve the charm of your own type. Fashionably correct in its varied shades and packed in the dainty "mirror paquet."

### COLD CREAM:

Fragranced with extract Djer-Kiss. Unsurpassed as a delicate cleansing cream. Use it each night. It will charm you.
